> Clothing. LEOPOLD FRANK

HAS just made a large addition to his extensive assortment of READY MADE CLOTHING, And invites the Farmers of Gallia coun-

ty, whenever they need any thing in his line, to give him a call, and thus reciprocate the many favors he has bestowed upon them in the purchase of Cattle.— He has been the best friend to the Gallia County Farmer, in the purchase of their surplus Stock, always paying the high-est prices, and thinks it no more than fair that Farmers should purchase their Clothing of him. This is business. A reciprocity of interests—you patroni me, and I will patronize you. And remember this—

The world rings out with anthems bold. That Frank will not be undersold. And also remember the place, Third Street, near Court. LEOPOLD FRANK.
